

MRS. BERENTSEN HOME.

Woman Who Disappeared From Mt. Vernon Found in N. Y. Hotel.

Miss. is to-day her husband's home. She was found yesterday at the Hotel Luce, Manhattan, registered under her own name. None of the hotel employees had read of her disappearance. Mrs. Berentsen was in a highly nervous state when she left home. She spent

Saturday night at the Hotel Luce, Manhattan, having no money; she pledged her gold watch for her bill and went to the Luce. She was found through a letter to her husband, who is assistant sales manager for the Alexander Smith & Son Carpet Company of Yonkers.

Its Golden Goodness

To the eager appetite of hearty boys and girls, Ralston means just the golden goodness—the outdoor deliciousness—of the sun-colored whole wheat berry. But to their growing bodies, it means strength and nourishment.

Ralston is whole wheat

For Ralston is whole wheat, and into the whole wheat berry, nature has crowded all the food elements necessary to make firm flesh, and straight strong bones; to supply vim and energy to the body.

Give Ralston to the grown-ups in your family, as well as to the children; it means satisfied appetites and real sustenance to both.

Don't wait—get a package today.
